## A BROTHER'S STORY

I was born in Roanoke, Virginia in 1933, I graduated from Jefferson High School in 1951, and married my wife Mary Lou in 1956. We have two sons and two grandchildren.

Other than my parents, the most influential person in my life was my Boy Scout leader. To me he seemed to know all things. Among his many skills, knowledge and crafts he had a ham radio license. He invited me into this world and in my late teens I also got a license (K4HKJ).

I attended electronic Schools in the Navy and later served and electrical apprenticeship with the regional railroad (Norfolk & Western) in my home town of Roanoke.

About this time RCA (Radio Corporation of America) was recruiting electronics techs for Cape Canaveral. So, in 1959 we moved to Florida. My first 12 years I worked in the Timing & Firing section at the "Cape," running and servicing "Sequencers." These were the electro-mechanical forerunner to computers that generated the countdown and supplied other functions to the missile operations.

I was in the blockhouse during two Mercury launches, Carpenter and Sherra, and the first ten Gemini launches. On a sad note, I was working the day of the Apollo fire.

In 1972, I had chance to change directions and for the 25 years I worked in radar tracking Missiles and Satellites I remember tracking Apollo around the moon and the parking stationary satellites in orbit in the middle of the night.

A couple of things I enjoyed doing over the years was volunteering with Eau Gallie Little League both as coach and officers and working with Habitat for Humanity.

My Masonic life started in 1963. Although I never held an office, I have tried to take part in as many activities as my skills and time would allow. My favorite thing to do was, and still is, to visit Lodges in other states and see the differences in rituals, the moving of the word, the opening and closings and the charges. *Brother Dennis Dyer*

**Has served the Craft for \_\_\_\_\_ years . Thank you for dedication, commitment and service it is greatly appreciated by all your Brothers.**

## MASTER'S MESSAGE

My Brothers, **THANK YOU**, for the opportunity to serve. As you can see, we are starting with a few changes in the Trestle Board, and the new website. Thank you, R.W. Dayle Schrock, for all your efforts with the website.

Another thing you may have notice is that we are having a Widow's Dinner on January 25<sup>th</sup>, at 6:30PM this dinner is dedicated to fulfilling our obligations of looking after our Brothers Widow's and pray that this will be a continuing event. A special thanks to Ms. Gloria Robinson, the beloved widow of Brother Maynard Robinson who is assisting with contacting all the widows we have information on. This will be a very special event if you know a widow of our Lodge please send me the information so we can add her to the list if she is not already there, your help in this matter is greatly appreciated.

This year we have a **Pocket Calendar** for our members free of charge. We want you to know what is going on in your Lodge at all times and look forward to having you in as many events as possible if not all. We are trying to increase our participation and as the Officers we are looking to meet you personally.

In an effort to bring us closer together we are starting to showcase "A Brother's Story" we are looking to get to know our sideline Brothers better which make our meetings so much brighter. If you would like to tell us about yourself please send me your story and will publish in the order in which they were received we need eleven more Brother's Story.

Brothers, we have issues with our communication and in order to improve this situation we desperately need your help. At present time we only have emails for a third of the Brothers, about one hundred phone numbers and many of them have not been update as they changed as well as some of the addresses.

My Brothers, as I said before if you can contact me or the secretary and update your information it would be great. Please leave a message if we cannot answer your phone, we will be in contact with you. The information we would like is as follows, Address to verify, a good number, a good email, the name of the wife, if possible so we can make sure we can assist her if needed.

The purpose of this information is to update your records and be able to send the Trestle Board to you, preferably through emails rather than regular mail to reduce cost, however, if you do not have an email, we want to send you one by regular mail. Staying in touch with all our Brothers is our number one goal this year. **PLEASE HELP US MAKE THIS GOAL A REALITY.**

From our family to yours we pray you had a Happy Hanukkah and a Merry Christmas, and that the New Year brings you Health, Happiness and Prosperity.

In closing we ask our membership to come out and be more active in your Lodge we are all striving to make it better, however we can do it alone we need each one of you. If you need transportation, we can help with that, come out and have a wonderful dinner prepared by our Junior Warden see his message below

IF YOU NEED TRANSPORTATION TO THE LODGE LET ME KNOW, WILL MAKE ARRANGEMNTS.

W. : M. : Jorge L. Aladro, P.G.M.

## JUNIOR WARDEN'S MESSAGE

Hello again my Brothers!

Déjà vu all over again. I was asked to take this position by M.: W.: Jorge Aladro, a Brother I love and respect. With his guidance and direction, I am certain Harbor City will return to its former position in our District and State. We are all very privileged to have a Brother of his knowledge and experience at the helm of our Lodge.

I enter this position again with excitement and some trepidation. Even though I have much more experience as I did my first time, I also have some new challenges. My wife Tracy I know you all are aware has been ill for some time. We now know she has been diagnosed with MS. My mother is in an assisted living facility with extremely poor vision and hearing, I have a lot to do with her as well. Leaving me with a lot on my plate. I beg all your patience as I step into this challenge.

I desire to provide an extra incentive to all our Brothers to attend our meetings by providing a good dinner to all that show up. On the meeting of the 14<sup>th</sup> of January, I plan on providing chicken and dumplings, seasoned greens, and corn bread. On the 28<sup>th</sup> beef stew, salad, and biscuits. I will endeavor to provide a menu on all upcoming trestle boards, so you can decide if dinner is at the Lodge is something you would like.

Please provide me with any ideas or suggestions for dinners in the future.

W.: Wade A. Atchison

## SECRETARY'S MESSAGE

Happy New Year my Brothers! I hope everyone had a great Christmas Season. Please remember to check your Dues card and if you DO NOT have a 2020 Dues card please contact me so we can get you a 2020 Dues Card. Remember you need a valid dues card to visit Lodges.

Thank you and I look forward to working with you for another year!

R.: W.: John Paniccia

As a lay Eucharist minister in the Episcopal Church I have experience in praying with the sick and those in Hospice care which helps me in delivering prayers for my Brothers and when called upon by the Worshipful Master for prayers at events or times when not under Lodge rules.
