A BROTHER'S STORY

Born just outside of London, Leigh grew up enjoying the best of both the urban and suburban lifestyles. His parents often took him and his younger brother Nic into London to museums and the theater. They also spent a lot of time going to the northern coast of Kent where they have a beach front chalet, original purchase by his grandfather, who was a Mason, in the 1960's. The small seaside hamlet called Seasalter is one of Leigh's favorite places to be. Growing up in Europe means a lot of traveling for family vacations. From a very early age Leigh got to visit France, Spain, Portugal, and the Netherlands just to name a few. It wasn't until he 12 years old that he got to visit the U.S.. It was on his first trip to Florida that he made the declaration to his parents that he would be moving to Florida when he was older. Eleven years later, that's exactly what he did. He had made a friend on his first trip to Florida that he had stayed in contact with. That friend lived in Melbourne. That seemed like as good a place as anywhere. So, on March 1st, 2000, Leigh boarded a plane to the U.S. and hasn't looked back.

Since moving to Florida Leigh attended Florida Tech and got a bachelor's degree in meteorology. After working at WFTV with Tom Terry during his junior and senior year, Leigh decided not to pursue meteorology as a career. Instead he went back into restaurants and hospitality where he had spent a lot of his younger years working. In 2011 he moved back to the U.K. temporarily to work for Jamie Oliver, a TV chef known for shows such as The Naked Chef and Jamie's Food Revolution. Returning to the U.S. in 2013 when his wife got pregnant with his daughter Pepper.

Currently Leigh works for Blue Marlin Real Estate as a Realtor and spends as much time as he can helping people buy and sell their homes. *Brother Leigh Hinton*

He was Raised to the Sublime Degree of Master Mason on December of 2018, and this last October served a great dinner for Harbor City Traditional Table Lodge. He is also serving as the Senior Steward of our Lodge.

MASTER'S MESSAGE

My Brothers,

We had a successful month with a well-attended Installation and we want to thank all of those that attended and especially the three Past Grand Master that performed the Installation of Officers.

On January 25th we had a very successful Widow's Night the first one in many years, and again we want to thank the Brothers that attended, although the attendance was very low. However, we had three of the five Widow's that RSVP. The Widow's expressions of gratitude and appreciation was an awesome experience that made the event a great success and we are committed to being as much a part of them as they would want us to be. It is our Obligation.

We have presented the 2020 Budget to be discussed at our next Stated Communication, I hope you take and interest and attend our next meeting.

On the 28th we had a Cleaning Day and thanks to W.: Brother Gregg, R.: H.: Brother Wilson, Brother Chouinard, we cleaned the stage and worked on the curtains, and disposed of the materials in W.: Brother Hutzler's trailer which he is drop off for us.

We have drawn a print for the entire Lodge and we are thankful to R.: W.: Brother Schwartz who will be making a CAD drawing so we can preserve the document.

MASTER'S MESSAGE

Also, one of the two condensing units in the back that had the line damage was repair a new valve and drier installed. Some of the refrigerant had leak out that was the reason for the a/c leaking water and carpet was wet by the storage /tool room.

Brothers if you can reach out to the Secretary with your email address and correct phone number it would be a great help as to cut back on the cost of the Trestle Board mailing.

We are requesting the Past Masters of this Lodge to attend the Past Master's Dinner on **FEBRUARY 22nd, at 6:30PM PLEASE RSVP TO THE JUNIOR WARDEN**, if you need transportation please let us know we will be more than happy to have a Brother pick you up and return you back home. We want to break bread with and have an opportunity to meet you, it would be a great pleasure for all our new members to get to know our predecessors and thank you for your leadership and hard work. As well as see Brother that you may have not seen in sometime. We love to have as many of you as possible.

We have many events planned for the year my Brothers we are asking you to support our Lodge with your attendance to the meetings and dinners. **We need your participation.**

M.: W.: Jorge L. Aladro, Worshipful Master

SENIOR WARDEN'S MESSAGE

Brothers,

I am excited to see all the work and improvements around the Lodge this past month, and I would like to say a big thank you to all who are offering their time to help!"

I am also looking forward to the next couple months, as our degree team starts to work on the E.A. degree.

The year is off to a great start, and I for see a wonderful year of growth ahead of us!

Fraternally,

Bro. Steven Knowlton, Senior Warden

JUNIOR WARDEN'S MESSAGE

My Brothers,

Wow!!! What a start. We have really started out quickly with M.: Wx1 Jorge at the helm. So many exciting plans for the future of our great lodge. I hope you all join with me in the rejuvenations.

I hope that some of the brothers will forgo eating before lodge and will join with the Brothers for our dinners before lodge. I would like to invite all the wives and girlfriends. To attend our dinners (not both at the same time) but please if you plan on that give me an e-mail so I can have the proper amount of food for the meeting. (atchisonins@aol.com)

It is kind of discouraging to have so much left over food or not enough. If I have a handle on the number of people to feed, I can make money for the lodge.

On the meeting of the 11th of February, I plan on providing chicken cheese enchiladas with beans and rice. (unless nixed by the boss) On the 28th pork tenderloin with vegetables, mashed potatoes and biscuits. I will endeavor to provide a menu on all upcoming trestle boards, so you can decide if dinner is at the lodge is something you would like.

Please provide me with any ideas or suggestions for dinners in the future.

W.: Wade A. Atchison, Junior Warden

R.: W.: John Paniccia, Secretary

CHAPLAIN’S MESSAGE

Brethren, I have been sick and missed the last Stated Communication of January but praise God am now on the mend. I hope this finds all in good health. I am not aware of any passing’s as of this date.

I have knowledge however of a need for prayers; W.: Brother Wade’s wife and Brother David’s mother Tracey is about to enter a new episode in her life, one in which she will need lots of prayers and understanding.

Brother Steven Spears is on the comeback trail but still in need of prayers for a full recovery.

If there are others I may not be aware of please in your own ways add them to this list as you Pray for others or better yet remind me and I note it in this column. This is an open invitation to those who do not for one reason or another want to stand up in Lodge and ask for prayers for oneself or for loved ones. It is incumbent upon us as Masons to keep all of our Brothers and their loved ones in our Prayers.

Bro. Richard Huffman, Chaplain

MONTHLY CHARITY

In the month of January, we ask the Brethren to support Nana’s House.

PETITION’S IN PROGRESS

Brother Robert Claude Long, has presented a Petition for Dual Membership

SICKNESS & DISTRESS

We have under the weather our Brother Chaplain trying to get over a bad cold, and Brother David’s Mother going thru difficult times. Please keep them in your prayers, for a speedy recovery and normalcy.

RULINGS AND DECISIONS

It is improper to have a telephone in a Lodge Room. Telephone in anteroom is proper and sufficient. (1972 Proc. 53-259)

THE CHARGES OF A FREEMASON

Extracted from the Ancient Records of Lodges Beyond the Sea, and of those in England, Scotland, and Ireland, for the Use of the Lodges in London to be Read at the Making of New Brethren, or when the Master shall order it.

I. CONCERNING GOD AND RELIGION

A Mason is obliged, by his tenure, to obey the moral law; and if he rightly understands the art, he will never be a stupid Atheist, nor an irreligious libertine. But though in ancient times Masons were charged in every country to be of the religion of that country or nation, whatever it was, yet it is now thought more expedient only to oblige them to that religion in which all men agree, leaving their particular opinions to themselves; that is, to be good men and true, or men of honour and honesty, by whatever denominations or persuasions they may be distinguished; whereby Masonry becomes the center of union, and the means of conciliating true friendship among persons that must have remained at a perpetual distance.
