Re: Coronavirus Update – Opening Lodges

Dear Brothers:

Everyone has heard that the Governor has started to lift restrictions throughout the state due to the flattening of the Coronavirus curve. I am pleased to announce that all Lodges may open to regular Lodge business on June 1, 2020. All Lodges must adhere to their By-Laws, Section 5.01 – Stated Communications.

We encourage all Lodges to follow the health and safety guidelines as set forth by the Center for Disease Control. All Lodges must have a hand sanitizing station at the front door of the Lodge Building for Brothers to use upon entering. If Brothers wish to wear gloves and masks they may do so but this is not a mandatory requirement and the Brothers must provide their own personal protective equipment.

The safety of our Brothers and their families are our top priority. Please continue to practice “social distancing” and following the guidelines that have been set by the Center for Diseases Control. Use common sense and your best judgement. If you are sick, have a fever, or just don't feel good please do not come to Lodge.

If you feel it is in the best interest to not open your Lodge and hold Stated Communications please notify your membership and the Grand Secretary.

Please forward this letter to your Lodge Membership as proper notification of the opening of the Lodges on June 1, 2020.

As always, please feel free to contact myself or any one of the Grand Lodge Officers should you have any questions or concerns.

Take due notice and govern yourselves accordingly.

Sincerely and fraternally,

Thomas L. Turlington, Jr.
Deputy Grand Master

MASTER'S MESSAGE

My Brothers

What happy occasion this is, thanks to our Most Worshipful Grand Master Thomas L. Turlington we are able to start to conduct Lodge business with caution and we are happy to be able to meet again.

As you can see the Grand Masters letter above that went out while he was still Deputy Grand Master in order to give us a heads up of the changes that were coming up once he had been installed. Base on the recommendations of this letter we will proceed with caution and follow the guidelines so that we do not place one single Brother in jeopardy.

The plan recommended by Grand Lodge is that we have sanitizer by the door so that the Brethren can disinfect their hands as they walk in, also we will be maintaining social distances in Foyer, Lodge and Dining room areas.

In order to minimize risk, especially to our older Brothers, let us maintain a distance as recommended especially if you are not wearing a mask. No handshake or personal contact so that we do not place a single Brother in a compromising position. Remember you may place them at risk as well as their family.

MASTER'S MESSAGE

In Lodge there will be a proper distance and unless you live in the same household you will be required to maintain a 6 ft. distance, seats will be folded and taped so as to indicate where to sit safely.

In the Dining room there will be two to three maximum, to be determined at the Lodge Officers meeting, this coming Monday. There will be a posting to let you know what has been determined.

My Brothers all of this is in an effort to meet the CDC and State requirements, common sense will guide us in the practice of these suggestions.

If you are not feeling good for whatever reason, it may be advisable to stay home as you may not want to expose yourself or others to whatever is causing you to feel ill. We will be having a regular schedule and will see you soon when you are doing better, this is for everyone's safety remember we have many Brothers that have relatives in poor health and we must try to protect all of them.

Besides all of the above we are looking forward to seeing you at Lodge if possible, and if you need any assistance please feel free to call on any of the Officers, we are here for you.

We will be suspending all other events until we are notified that it is proper to do. So, for the time been we are going to go about the business of our meetings and practices.

Looking forward to seeing you,
Jorge L. Aladro, Worshipful Master

SENIOR WARDEN'S MESSAGE

"Hello Brothers,

This entry to the trestle board fills me with joy, as we are to resume our meetings in the month of June! I do not have the words to express how excited I am to see you all in lodge and get back to business as usual. I am sure that there will still be some brothers who decided to remain in quarantine or continue social distancing, and we all need to respect those brothers as they are going to continue to take measures they deem necessary for the safety of themselves and their loved ones.

I cannot wait to see you all in lodge again!

Br. Steve Knowlton, Senior Warden

JUNIOR WARDEN'S MESSAGE

My Brothers,

We seem to have survived this great test. We are now ready to begin to re-start our Great Fraternity. Are we up to the challenge? I think we are all tired of being at home and not being with our brothers. I hope that this re-opening is the right thing at the right time.

I have been hunkered down. I have been working in my office with the doors locked since this started. My wife has been well, but isolated in the house. My mother is locked into her Assisted Living Facility. I do not wish to bring the bug home to them. I feel we need to make certain we do not infect our loved ones. Maybe we need to check the temperature of all brothers before entering the lodge. Anyone with the slightest idea of being ill needs to stay at home to avoid endangering any of our brothers. We need to sit with a distance between us. We can do this but, we just need to be careful.

SECRETARY'S MESSAGE

Greetings Brothers,

I hope all of you and your Families are doing well and staying healthy and safe during the COVID-19 Pandemic.

Things are slowly getting back to "normal" and we will start our Stated Communications this month.

I know we all have been thru a lot lately but according to Article X Section 20 of the Constitution I need to remind you that at the end of the month Delinquent Dues notices will be mailed out.

Please check your dues card and see if it is current (2020). Thank you for your understanding.

Hopefully, we will see you in Lodge!

Respectfully and Fraternaly,
John Paniccia

CHAPLAIN’S MESSAGE

My Brothers,

Once again, I am writing this without meeting or seeing my Brothers, I sorely miss our meetings and work parties at the Lodge. I have made calls to Brothers with some response. Not hearing from Brother Steven Knowlton, I am not aware of his current health, prayerfully he is in better health than the last I was aware of. Brother Steven Spears has requested prayers for his Mother-In-Law Alice, who lives with him and wife, she’s in the Hospital with temperature and respiratory issues. Talked to Brother Wade Atchison, he said that he and his family are doing fine, prayers for Tracey continue to be requested by your Chaplain.

Please keep those in the path of COVID-19 and those who are suffering from this Virus in your prayers, as Brothers it is incumbent upon us to keep these and others you may know of in our daily prayers. I pray that we may see each other soon.

Prayerfully yours,
Bro. Richard Huffman, Chaplain

DID YOU KNOW

VI. OF BEHAVIOR, VIZ.:

1. In the Lodge While Constituted

You are not to hold private committees, or separate conversation, without leave from the Master, not to talk of anything impertinent or unseemly, nor interrupt the Master or Wardens or any Brother speaking to the Master; nor behave yourself ludicrously or jestingly while the Lodge is engaged in what is serious and solemn; nor use any unbecoming language upon any pretence whatsoever; but to pay due reverence to your Master, Wardens, and Fellows, and put them to worship.

Any complaint be brought, the Brother found guilty shall stand to the award and determination of the Lodge, who are the proper and competent judges of all such controversies (unless you carry it by appeal to the Grand Lodge), and to whom they ought to be referred, unless a lord’s work be hindered the meanwhile, in which case a particular reference may be made; but you must never go to law about what concerneth Masonry, without an absolute necessity apparent to the Lodge.

2. Behavior After the Lodge is over, and the Brethren not Gone

You may enjoy yourselves with innocent mirth, treating one another according to ability, but avoiding all excess, or forcing any Brother to eat or drink beyond his inclination, or hindering him from going when his occasions call him, or doing or saying anything offensive, or that may forbid an easy and free conversation; for that would blast our harmony, and defeat our laudable purposes. Therefore no private piques or quarrels must be brought within the door of the Lodge, far lest quarrels about religion, or nations, or state policy, we being only, as Masons, of the catholic religion above mentioned; we are also of all nations, tongues, kindreds, and languages, and are resolved against all politics, as what never yet conduced to the welfare of the Lodge, nor ever will. This Charge has been always strictly enjoined and observed; but especially ever since the Reformation in Britain, of the dissent and secession of these nations from the communion of Rome.

3. Behavior When Brethren Meet Without Strangers, But Not in a Lodge Formed

You are to salute one another in a courteous manner, as you will be instructed, calling each other Brother, freely giving mutual instructions as shall be thought expedient, without being overseen or overheard, and without encroaching upon each other, or derogating from that respect which is due to any Brother, were he not a Mason; for though all Masons are as Brethren upon the same level, yet Masonry takes no honour from a man that he had before; nay, rather it adds to his honour, especially if he has deserved well of the Brotherhood, who must give honour to whom it is due, and avoid ill manners.
