LODGE WORKDAY

My Brothers:

It's hard to believe we are nearly three quarters of the year out, much of this year has been filled with uncertainties and no doubt we have all felt the impact of this virus.

There is one date that I would like you to set aside and that is **Sept.12th** we are having a **workday** at the Lodge starting at 9:00am there are a few things we need to repair and install.

1. **Fence around the A/C units**
2. **Repair fence in front.**

Other repairs that need to be kept in mind.

1. **Dinning room doors reset and painted**
2. **Partition between Lodge and Dining Hall**
3. **Kitchen plumbing**

Let us work together and positively to achieve our goals your talents in these and many other small things to be done around the Lodge are earnestly requested.

MASTER'S MESSAGE

My Brothers

I'm coming to share with you the present situation of our Lodge. We started this year with many plans to improve the Lodge by having better communications, more fund raisers involving the public as well as keeping up the traditions of Harbor City alive.

We cut and sliced the budget to operate on the income raised by the Lodge and were hoping that the participation would be so that we could maintain the adopted budget but always keeping an eye on the spences as not to overspend, and with the help of the Treasurer we have kept an eye on the budget.

Then life happen and we were all introduced to Covid19, and our future like everyone else was placed out of our control. We were almost two weeks away from hosting a dinner "Honoring Law Enforcement" when the orders came down to shut the Lodges down following the CDC and State recommendations.

Because of this shut down, Allied and Appendant Orders that rent from us have not been able to meet and their own Grand Bodies have not allowed them to do so, as of present, we have had NO income from these rentals.

We were able to reopen our Lodge in August, maintaining social distances, using sanitizer, and mask depending on Brothers. This pandemic has further reduced the Lodge participation because our Brethren want to minimize exposure and who can blame them. Further by maintaining social distances we needed to cut our Lodge seating by a quarter, and our dining room to three Brother per table. Dinner participation was almost non-existence and suffering a loss, therefore, suspended for the time being.

It is very difficult to make any plans with a successful outcome due to the government changing the requirements for social gathering as the situation is very fluid and out of our control. We have suspended all social gathering and fundraisers do to present condition. An attempt to do otherwise can result in a loss of investment for any function, for many of the reasons explained above.

We are sending the dues notices next month and we are asking all of the Brothers that can assist their Mother Lodge to do so, as to help absolve the losses we have received due to COvid-19. Because of our limited abilities is that we turn to you for assistance. I am asking all the Brothers, to help in order to make it easier for everyone. I also understand that not everyone is able to assist. However, I also understand and realized that others may be able in a better situation where they can assist a little more, I ask that you do the best you can and whatever that is we will be appreciative and thankful and it will go a long ways to reducing the loss sustained.

As they say, this too shall pass, and we hope and pray that with your assistance we can make a difference and keep our Lodge above water until better times come and come they will.

MASTER'S MESSAGE

In closing my Brothers, this is indeed not the news I wanted to convey to you this year, is a matter of fact it is quite contrary, I had carefully planned for it to be different, but as I have been told before "Man Proposes and God Disposes," I'm hope you understand, that we have diligently planned and prepared for different results, but it is beyond our control.

Jorge L. Aladro,
Worshipful Master

SENIOR WARDEN'S MESSAGE

"My brothers, as we are all living through these crazy times, it is great to see those who have made it to the meetings recently."

There is still much to be done around the lodge, and I would've to remind everyone that we are having a work day on Sep. 12th to get everything in order. Feel free to wear masks, and practice social distancing, as there is definitely something that everyone can contribute. It saddens me that we cannot hold most of our usual events, a work day may be the closest thing we get to quality time with our brothers while engaging in something that is helpful to our lodge. I will be bringing my work Van (filled with tools), and my trailer. I encourage everyone to think of something they would like to see fixed or updated in the lodge building and let me know about it at the meeting on September 8th. Let's all give a little of our time, for the fraternity's benefit.

Thank you,
Br. Steven Knowlton "

JUNIOR WARDEN'S MESSAGE

My Brothers

Many of us are feeling sadness and despair, this has been an extremely trying and difficult time. We can help heal the world around us by coming together as men and Masons. We must all reach out to our Masonic Brothers to offer help and hope.

There are many that need help ! Please let us as your officers, who you are and how we can help. If you can help, please, with your time or resources.

We had many plans on fundraising. We were unable to put on our dinners and get togethers.

If you find you can help the lodge shortfall in budget with any amount, it would be helpful in maintaining our home lodge.

Wade A. Atchison P.:M.:
Junior Warden

SECRETARY'S MESSAGE

Greetings my Brothers,

I hope this finds you and your loved ones doing well.

I just wanted to let you know that the 2021 Dues notices will be mailed out this month. (Please check your dues card and if you DO NOT have a 2020 Dues card please contact me.)

I just wanted to inform you about your dues notice.

When you see the total payment line please do not panic!

Our Dues have NOT gone up. We pay 126.00 for our Lodge dues and this year the per capita is \$30.00 for a total of \$156.00.

There is the donation to the Masonic Home L.Y.P.M.G.C. for \$7.30.

You have 2 additional VOLUNTARY donation lines:

One is for our District Master's and Warden's Association to assist in offsetting the expense of the Grand Master's Official Visit to our District.

The additional VOLUNTARY donation line is for our LODGE COVID-19 RELIEF FUND. During this trying time none of our Appendant Bodies have met here so we have zero income from our Bodies that rent from us.

We have had NO fundraisers of dinners due to the regulations and restrictions for meetings or gatherings.

We are in the red currently with our budget and until we get back to normal we need assistance from YOU as a BROTHER and MEMBER of Harbor City Lodge No. 318. I Thank You in advance for your understanding and assistance.
Hope to see you in Lodge!

Fraternally and Respectfully,
R.:W.: John Paniccia
Secretary 2020

CHAPLAIN'S MESSAGE

Brethren,

The end of August is a time of great loss to our Lodge, a time when brothers and families need lots of Prayers.

Brother Donald Ray Johnson a 32nd degree mason passed away 8/13/20 at the age of 80 years.

Brother Nobel Kenneth "Ken" Hill passed away 8/15/20, in Hagerstown MD.

Brother Tom Moore has had surgery and needs Prayers for a quick and complete recovery.

Kenneth "Ken" Jenkins has a spot on his lung, please Pray for a negative result of the examinations and tests to come.

Karol Dzielgel's wife passed the morning of 8/27/20, our Brother and family need our Prayers during their mourning.

Please continue to Pray for Brother Stephen "Steve" Spears who is in great pain and awaiting surgery on his spine, Brother Aladro's Father at home in Miami, Brother Paniccia's Father who had recent surgery, Brother Atchison's wife Tracey, and Brother Arner's loss of a family member in PA.

I would like to ask for a continuation of Prayers for myself, the Doctors conversation was to map out the upcoming scans, test, etc. that are to follow. The Doctor put it bluntly cancer is a possibility, as is a common cist which I am hoping for, thank you Brothers for your Prayers, I will keep you informed.

It is incumbent upon all Masons to keep their Brothers and their families in your Prayers.

In closing I ask you to read Psalm 133 and think about its use in the Lodge, those who attend practice should have no problem, also the pronunciation for Harmon is Har-mon. May the Architect of the Universe keep you always in His heart and love you as you love Him.

Prayerfully yours,
Bro. Richard Huffman, Chaplain

MONTHLY CHARITY

LEST WE FORGET

My Brothers,

This month we have three memorable dates:

Labor Day where we celebrate the contribution made by the Labor Force of this nation which keeps our Nation on the cutting edge of just about all facets which contributes to the strength and wellbeing of our country.

September 11, 2001 our Nation was cowardly attack by Islamic Extremist which cause the loss of 2,977 innocent lives. Bringing down the Twin Towers in New York by striking them with two jet planes American 11 and United 175 where we sustain the loss of 2,753 lives. This was followed by the attack at the Pentagon with another plane American 77 were we suffered another loss of 184 lives, and the third attack which was spoiled by heroic Americans when they brough down United 93 in a field near Shanksville with a loss of another 40 Americans lives.

Americans always rise to the occasion, and the aftermath of this single event changed the course of our nation, but most importantly it brought Americans together as a Nation and as one people regardless of who they were and where they were from. Let us all remember that we do better when we are ONE people.

September 17, 1787 The Constitution of the United States of America was created and ratified on June 21, 1788 and placed in operation on March 4, 1789 creating the separation of powers, as to better govern the Union of these Thirteen States.

The Constitution has been amended 25 times not counting the two amendments to deal with prohibition. The first ten amendments being the Bill of Rights which spells out specific protections of personal liberty and justice; placing restrictions on the powers of the government.

GOD BLESS AMERICA
