MASTER'S MESSAGE

We are sending this message again because last time we were not able to send the snail mail Trestle Board in time to everyone.

My Brothers,

I'm coming to share with you the present situation of our Lodge. We started this year with many plans to improve the Lodge by having better communications, more fund raisers involving the public as well as keeping up the traditions of Harbor City alive.

We cut and sliced the budget to operate on the income raised by the Lodge and were hoping that the participation would be so that we could maintain the adopted budget but always keeping an eye on the spences as not to overspend, and with the help of the Treasurer we have kept an eye on the budget.

Then life happen and we were all introduced to Covid19, and our future like everyone else was placed out of our control. We were almost two weeks away from hosting a dinner "Honoring Law Enforcement" when the orders came down to shut the Lodges down following the CDC and State recommendations.

Because of this shut down, Allied and Appendant Orders that rent from us have not been able to meet and their own Grand Bodies have not allowed them to do so, as of present, we have had NO income from these rentals.

We were able to reopen our Lodge in August, maintaining social distances, using sanitizer, and mask depending on Brothers. This pandemic has further reduced the Lodge participation because our Brethren want to minimize exposure and who can blame them. Further by maintaining social distances we needed to cut our Lodge seating by a quarter, and our dining room to three Brother per table. Dinner participation was almost non-existence and suffering a loss, therefore, suspended for the time being.

It is very difficult to make any plans with a successful outcome due to the government changing the requirements for social gathering as the situation is very fluid and out of our control. We have suspended all social gathering and fundraisers do to present condition. An attempt to do otherwise can result in a loss of investment for any function, for many of the reasons explained above.

We are sending the dues notices next month and we are asking all of the Brothers that can assist their Mother Lodge to do so, as to help absolve the losses we have received due to Covid-19. Because of our limited abilities is that we turn to you for assistance. I am asking all the Brothers, to help in order to make it easier for everyone. I also understand that not everyone is able to assist. However, I also understand and realized that others may be able in a better situation where they can assist a little more, I ask that you do the best you can and whatever that is we will be appreciative and thankful and it will go a long ways to reducing the loss sustained.

As they say, this too shall pass, and we hope and pray that with your assistance we can make a difference and keep our Lodge above water until better times come and come they will.

In closing my Brothers, this is indeed not the news I wanted to convey to you this year, is a matter of fact it is quite contrary, I had carefully planned for it to be different, but as I have been told before "Man Proposes and God Disposes," I'm hope you understand, that we have diligently planned and prepared for different results, but it is beyond our control.

Jorge L. Aladro,
Worshipful Master

SENIOR WARDEN'S MESSAGE

Greetings Brothers!

I hope everyone of you are starting this month happy and healthy.

I have heard that Brother Richard Huffman has been in the hospital and would like to ask all of you to keep him in your prayers.

Brother Steven Knowlton
Senior Warden.

JUNIOR WARDEN'S MESSAGE

Alas My Brothers,

What an incredibly difficult time this has been. No one living in the USA has seen anything like this. Life has been so different.

As we look to the election, we are faced with dissension and unrest. We must all present ourselves as beacons of light in a very dark situation. We must show that Masonry is a direction not followed by the masses but a healing hand extended to all.

Again, please let myself or Jorge or Stephen know if there is anything we can do to help you.

On the other hand If you can help (without material harm to yourself or family) please contact our Brother Secretary John.

My prayers go out to Richard Huffman and everyone else who is in need of our prayers.

W.: Wade A. Atchison
Junior Warden

SECRETARY'S MESSAGE

Greeting my Brothers,

Happy October and I hope you and your Families are doing well.

Just a reminder that according to Article X section 20 of the Constitution NPD notices for 2020 have been mailed out. If you DO NOT have a 2020 Dues card please contact me to rectify the problem so you are not suspended.(PLEASE remember even though you received your 2021 dues notice if you have not paid your 2020 dues you may face suspension.)

The 2021 dues have been mailed out and a voluntary donation line for Covid-19 relief that was added is for OUR LODGE. Due to Covid-19 and all the restrictions we have not had any fundraisers and all Appendant Bodies have not been meeting and we have had zero income except for 2020 dues. I understand times are tough but if you can spare extra for your Lodge it is greatly appreciated.

Fraternally and Respectfully,
John Paniccia
Secretary 2020

CHAPLAIN'S MESSAGE

My Brothers,

This is the Worshipful Master writing this column was started when our Chaplain hospitalize, but thanks to God at the present time he is at home suffering from Covid-19.

There is no doubt that there are many good Brothers that serve as Chaplain and ours is certainly one of them. The compassion, dedication to prayer and genuine concern of our Chaplain definitely ranks among the highest I have ever seen and he certainly enjoys ministering for his Brothers and their families. We are truly blessed to have him looking after us with prayer.

Now my Brothers, it is time for all of us to come together in prayer for Brother Huffman who has given this Fraternity in general and our Lodge in particular so much of himself not only in his ministering, but in all the work that he has done in the Lodge ever since he joined .

If you have been in our Lodge as of late you can find his fingerprints in just

MASONIC NEWS

On, October (13th) 30th, 1771 Thomas Smith Webb was born, (d. July 6, 1819) author of Freemasons Monitor or Illustrations of Masonry, the foundation text of the York Rite American system of Freemasonry and the Founding Father of the York or American Rite.

He was Grand Master of Freemasons of Rhode Island, in 1813, but it is earlier than that is were he made the largest of impact in October 24th, 1797 a Convention of several of the Northern States was held in Boston for the purpose of establishing a General Grand Chapter of Royal Arch Masons of the Northern States.

Previous to this time the Royal Arch Degrees had been conferred in Masters Lodges and under a Lodge Warrant. It is undoubtedly to the influence of Webb that we are to attribute the disseverance of the Degree from that Jurisdiction and the establishment of independent Chapters. It was one of the first steps that he took in the organization of the American Rite.

He was elected as Grand Scribe of the Grand Chapter in 1798, reelected in 1799, at which time the body took the name of the General Grand Chapter. In 1806 he was promoted to the office of Grand King and in 1816 Deputy General Grand High Priest. In 1816 he established Chapters and Grand Chapters and Encampments in Ohio and Kentucky.

Although he only author the Freemason's Monitor or Illustrations of Masonry he made a great influence in the American Masonic System of Freemasonry and his legacy lives on today.
