## MASTER'S MESSAGE

Hello Brethren! So far 2021 has been a much milder year than 2020, and it is a welcome change of pace. We are happy to report that we have a new E.A. Brother Jeremy Zengler, and we are looking forward to him progressing through his degrees in the coming months.

Our lodge work day this month had to be moved to accommodate other activities going on, and will be held on Saturday the 20th.

Last but not least, we will begin regular ritual practice again on the 10th and will be working on the Fellowcraft Degree. If you are going to have a part in this degree I strongly urge you to attend these practices, even if you have done the part before. Our ritual work In these degrees sets an example for the candidates and brothers who are watching, so we should endeavor to do our very best.

Thank you my Brothers,  
-Steven Knowlton

## SENIOR WARDEN'S MESSAGE

My Brothers,

Harbor City 318 is no slouch. After a year no one could have called, we were able to pull off a very great degree with our new EA brother. The degree team worked hard and performed a very nice degree. Special kudos to Richard (first time SD) Gary (The old dog still has it) Jim (Those lectures are amazing) and Shaun (Great charge).

The entire lodge really stepped up for the Big Moment.

We received a nasty gut punch in 2020 but I believe we have come back strong.

Wade A. Atchison  
Senior Warden

## JUNIOR WARDEN'S MESSAGE

My brothers,

What a great year so far! An excellent EA Degree, W.M Steven with his first born, and a pandemic that finally has some light at the end of the tunnel.

I foresee great things this year. As a favor, I ask that if Brothers can, please, attend our ritual practices! Not only does R.: H Gary make them fun, it also keeps us all sharp! Practice is 6:30PM every Wednesday. With a Fellowcraft Degree coming up, we can always use some extra help!

Fraternally,

-Br. Richard Karr, J.W.

## CHAPLAIN'S MESSAGE

Chaplin's Column for March 2021

Here it is another month and we are still battling the pandemic. Well look what has been happening, we now have 3 companies with antivirus serum, they differ somewhat but are blessings, you might as I do say they are answers to our prayers. These serums are not totally what we prayed for but is a good start, that makes us better than most of the world.

We have much to be thankful for; Brother Steven Knowlton is a farther of a lovely baby girl, Brother John Dandeneau's Daughter Malisa's Cancer has receded enough that surgery might be the next step, and Brother Steven Spears who is on the mends after surgery, Prayers do work, and last but not least Brother Wade Atchison's Wife Tracy is in healing mode with a broken clavicle due to a tripping accident. It is incumbent upon all Masons to keep our Brothers, their Wives, Widows and Orphans in our Prayers.
