April 28th, 6:30PM – Ritual Practice

master's message

Brethren, this year is off to a good start, and I am glad to be sitting as Master of such a wonderful lodge! I would like to make a recurring theme of having lodge work days on the last Saturday of each month. I am not looking to do too many big things in the first half of this year, but instead, I think we can work on a lot of small projects around the lodge that would make a huge difference. Br. George Major was a wonderful help on the first work day, and we got some painting done on a few doors that needed some freshening up. I have purchased a bit of paint supplies, brown paint for many of the doors in the lodge, as well as a gallon of white paint for touchups throughout the lodge. a bit of touch up paint goes a long way to make things look new and uniform, where they may currently be scratched/marred/ or inconsistent colors. I also dropped off a small battery powered pressure washer, which I would like to use to clean up the exterior of the building on our next work day. Any and all help is appreciated!

Next, I would like to talk about our online raffles. Brothers i believe the online raffle is a fantastic way for our lodge to generate revenue, and implore everyone to like and share the link for it monthly at least once. These raffles are open to all Florida residents, not just Masons, and we need to drum up support for this fundraising. Consistency is key. If anyone has any recommendations or suggestions on how we can get more support for our monthly online raffle, please let me know!

Lastly, I would like to thank my officers for the great work they are doing so far this year. Much like last year, this year has not been easy for many of us, between our careers and families, it is no small feat to add Lodge Officer on top of everything. I think I can speak for the whole of the craft when i say that all the hard work is very much appreciated. Everyone is stepping up and helping in what ever capacity fits best into their schedules, and I am very glad to see the level of passion and commitment that is being displayed.

Thank you my Brothers, and God bless!
-Br. Steven Knowlton
Worshipful Master

Senior Warden's message

My Brothers,

The degree team has been busy preparing for our next degree for our new brother to pass to the degree of Fellowcraft. He has been working on his proficiency with Jim and Gary, two better instructors I cannot think of.

As we slowly come out of the pandemic and we are in the process of our inoculations we must reflect on all that has been lost due to this horrible plague. Please take a moment to pray for the families of all who have lost loved ones as well as to the leaders of our country for guidance to follow your plans in all things.

All the members of the lodge are here to help. If you need anything, please let me know.

Wade A. Atchison
Senior Warden

Junior Warden's message

My brothers,

We continue to be on a steady clip this year. We are doing great in our practices (every Wednesday at 6:30PM!) and are working on many projects throughout the lodge.

If Brothers could, please, remember to try and share our Harbor City Monthly Raffle on Facebook!

I wish everyone a safe and happy month.

Fraternally,

-Br. Richard Karr, J.W.

CHAPLAIN's message

Chaplin's Column for April, 2021

We are now in the season of one of two most Holy seasons of Christendom. To our Jewish Brothers it's the death of a great Profit, for our Christian Brothers the death and resurrection of Jesus Christ the Son of God. This is the time of Easter and a time to rejoice and count our blessings, I realize this will be difficult for those newly widowed or orphaned, just think about the blessing of having a Lodge of Brothers without Government intervention, or to worship in our Synagogue or Church without intervention, or the Blessing of having great medical facilities and personnel. The list goes on but I'm sure you will discover your own list.

Our Prayer list includes these Brothers or their loved ones that I am aware of; Tracey for healing, Melisa for remission/surgery, Joann, for healing, Ashley for diagnostic/healing, Denis D. for diagnostics/cure and last but not least Steven S. for continuing his road to full painless recovery.

It is incumbent upon us to keep our Brothers and their loved ones in our Prayers
