Master's Message

Brethren, I hope this trestle board finds you all in good health! It has been a good year so far, and I know we will continue to have a good year.

On October 21st we will be having our annual Table Lodge event at the shrine! Please RSVP with Br. Karr or myself. We have tickets available for \$20.00 per person. This will be the biggest event our Lodge hosts this year, so please plan on coming out and showing your support. The event is open to everyone! So bring your spouse, a friend, or anyone interested in joining our great fraternity.

I would also like to ask for volunteers to assemble and donate baskets for us to auction at the event. If you are willing to donate a basket for the auction, please let me know.

Thank you Brothers,
W. : Steven Knowlton

Senior Warden's message

My Brothers,

We welcome our new brothers having been initiated Entered Apprentices. We look forward to the next step of passing to the Degree of Fellowcraft the brothers. The practices for the next degree will be every other week until they are closer to being ready, when we will go back to every week. Our W. : M. : will let us know when.

We look forward to the GMOV and our Table Lodge this fall be sure to RSVP. Kind of nice to sort of be back. With the new variant hitting Brevard hard I am hopeful that a shut down will not stop us.

Wade A. Atchison
Senior Warden

Junior Warden's Message

My Brothers,

We had a great degree for our newly obligated Brothers. Thank you to everyone who came out to help on the Degree team or to just show support!

Please consider going to our table lodge as W. : Steven suggested! It will be a great event. Feel free to RSVP to me, purchase the tickets online on our Facebook page, or purchase a physical ticket from one of the Brothers carrying them.

Fraternally,
-Br. Richard Karr, J.W.

Chaplain's Message

Chaplin's Column for August 2021

My Brothers, we are now entering August, I believe it is going to be hotter than July if that is possible. But it will be somewhat different than July in another way, the COVID variant, this one is for real if you have not been vaccinated. It has been published that while having been vaccinated will lessen the severity of the illness it will still make you very sick, for folks like myself with mitigating circumstances, it is dangerous. For those who have not been vaccinated it is downright deadly, mitigating circumstances or not. The point I am trying to make here is if you or your love ones have not been vaccinated don't put it off any longer. For those of you who have been vaccinated it is time to put your masks' back on, wash your hands frequently, and keep your distances, when indoors or in a gathering of those folks outside of your normal family circles of friends and relatives. Please be safe.

The following is a list of Brothers needing your Prayers; Brother John Paniccia's Family, Brother Wade Atchison's, Family, Brother Gary Wilson's Family, Brother Michael Setzer's Family especially Rosie's Family in the Philippines, and Brother Tom Moore. Last but not least a Prayer of thanks for the blessings of Marlesa being cancer free, Brother Allan Greg also cancer free, Brother Steven Spears' recovery, and Brother Denis Dyer's return to health, Brother John Allen's daughter Illiana, and other Brother's and their families who might need prayers. My Brothers it is incumbent upon us and all Masons to keep these Brothers and all Masons in our Prayers.

Secretary's Message

John Paniccia P.D.D.G.M.

Special Message from our Property Committee

Our kitchen is in need of some new equipment. The gas Double Range Oven with Griddle is broken. Also the Charbroiler has stopped working. We are very grateful to the Brothers who acquired that equipment and it's lasted a long time. Now it's time for replacement. The property committee has a plan to replace this equipment at a cost of under \$7,000. This will come out of our Building Fund as the equipment is attached to the gas lines.

What an education about Gas Double Oven Ranges, there are so many options to evaluate. I went to Payne Restaurant Equipment Company in Rockledge and spoke with Darin McBride who gave me good guidance about Prices vs Quality.

Darin's recommendation was an USA made Royal Range from California Model No. RR-6G24, Double Range, 60", 6 Burners, 24" Griddle. All specification sheets available for review. He stated he supports and maintains parts for Royal Ranges. _ 2 year warranty, with casters and quick disconnect gas line connections.
