Re: COVID-19 Contagion and Safety

It has come to my attention that we have Brothers that are not following the guidelines set forth by the Center for Disease Controls and the Florida Department of Health for the COVID-19 pandemic. Therefore, as Grand Master of Masons of Florida, I hereby ORDER and DIRECT that if you have been exposed to COVID-19 or even if there is a possibility, however small, that you have been exposed you must self-quarantine until you can get tested for the virus. If you test positive you are not under any circumstances to attend a Masonic function. Not following these guidelines puts your Brothers and their families at risk and will be considered un-Masonic conduct and charges may be preferred by my orders.

Take due notice and govern yourselves accordingly.

Fraternally,

Jeffrey S. Foster
Grand Master
