MASTER'S MESSAGE

My Brothers,

Deja Vu, I am at it again. With covid winding down (Hopefully) We are trying to return to some degree of normality. We hope to restart our Family Night Dinners in March on Saturday the 19th following St Patrick's Day. The District is planning on having a Family Picnic at the Shrine Pavilion on April 9.

In addition to renewed activity, we also have new interest in joining our beloved fraternity. We have accepted an application, are waiting on the return of a second and are having new prospective candidates come in and enjoying some of W. : Engel's fine dinners. Along with the R. : W. : Ben Schwartz working the Grand Lodges new system to bring candidates our way.

We are having our ritual practices every Wednesday at 6:30 so we will put on great degrees for our new candidates and brothers. Come out and join us and maybe sit in a new seat for the degree. Gary will make sure you know your stuff.

W. : Wade A. Atchison

Worshipful Master

SENIOR WARDEN'S MESSAGE

My Brothers,

My Brothers, we now have one candidate who has submitted a petition to join the Lodge. In addition, there are several other potential candidates who are joining us for dinner before our Stated meetings.

I encourage the Brethren to engage with each of these potential members, and make them to feel welcome. This is a great opportunity for these men to get to know us, and for us to get to know them. I would like to thank R. : W. : Ben Schwartz for his efforts in finding new members. We are holding ritual practice every Wednesday night at 6:30 pm, in preparation for our upcoming EA Degree. I want to thank all of the Brothers who are participating on this degree team. My special thanks goes to R. : H. : Gary Wilson, our Lodge instructor, who has taught most of us how to properly do ritual work.

R. : W. : James W. Demekow

JUNIOR WARDEN'S MESSAGE

My Brothers,

We have had good turnout and participation in our meals and Stated Communications thus far this year, I would love to see the momentum continue to increase to great turnouts. The hard working Stewards and I have enjoyed putting out a variety of meals so far and look forward to new options and events. Our next Stated Meeting is March 8th and is the second official visit of R.: W.: Kevin Smithwick. The meal that evening is going to be bacon cheddar meatloaf, mashed potatoes, and a vegetable side. Pease come out before the meeting to enjoy a meal and fellowship with your brothers.

Also, March will see the first of our quarterly family dinner on March 19th. That being two days after St. Patrick's Day we are going to have corned beef and cabbage, the usual sides, and shepherd's pie. My plan is open the doors at 5pm, with serving beginning at 5:30pm. The cost will be \$10 per adult, \$5 per child. We are also in the process of procuring some musical entertainment that evening as well. Please come out for a fun, casual family dinner.

Fraternally,
Henry L. Engel
Junior Warden

SECRETARY'S MESSAGE

Greetings my Brothers!

I hope you and your Families are doing well. I just wanted to remind everyone that if you DO NOT have a 2022 Dues Card please contact me and we can take care of it.

Our Lodge will have events coming up and we would like to have you join us.

May the Good Lord watch over you and your Families.

Respectfully and Fraternaly,

R.: W.: John Paniccia
Secretary 2022

CHAPLAIN'S MESSAGE

My Brothers,

This is a beginning of a series of writings of the building of the Temple of God and those involved with the building in hopes that it will prompt my Brothers to read the Bible. The information will be gleaned from 1 Kings, and 2 Chronicles.

The Scriptures tells us that King David, father of Solomon, had too much blood on his hands from fighting wars during his reign that God decided Solomon, when he became King, would be the builder of the Temple. More about King Solomon next month. The Temple built in place, using finished, numbered stones from the quarry beneath the temple and cedar, pine, and other woods from the forests of Lebanon. The Temple was assembled upon the Temple Mount quietly without the use of iron tools, thus being known as being "built by God".
