Worshipful Master's Message

Brothers all:

Soon the year will be over, but there are still things to be done – Thanksgiving baskets, Christmastime for the Haven. All we have to do is get through this month with the ghosts and goblins, and all the leftover candy we'll be eating.

We will have two new candidates going through, so come out to support them.

Our Sept. 11th tribute was fantastic. The band was great, and Brother Brian Nemeth gave an excellent recap of his time while helping out with 9/11.

Our GMOV will be coming up soon, October 5th. Dinner will be held at the Shrine, after which we'll be hosting the event at our Lodge and the Beach Lodge will be in charge of the program.

I've had a personally satisfying experience while being in the East and will be a little sad when it comes to an end.

Have a spooky October and don't eat too much candy! See ya soon. WM ∴ Mike Hutzler

Harbor City No. 318 Senior Warden's Message

My Brothers,

We have resumed our regular Wednesday Degree practices. We hope to confer an EA Degree in late September. If any brother would like to get more involved, or re-involved, in ritual work, you are most welcome to join the Degree teams.

We are now in the midst of another election cycle. It is important to vote. It does not matter what your party affiliation is, or who your favorite candidates are. The only thing that matters is that you exercise your civic duty and vote.

It is said that the key to a healthy life is having a proper diet and adequate exercise. If you search the internet, you will find a number of diet plans that are considered both popular and healthy. You will also find a number of exercise programs which can be tailored to your individual needs. However, you should consult your doctor before embarking on any one of these plans.

We are also in the midst of determining Lodge Officers for the coming year. Nominations for the elected officers are due in November. If any Brother is interested in sitting in one of the Chairs, please let one of the current officers know of your interest.

Fraternally, R:W: Jim Demenkow, Senior Warden

Harbor City No. 318 Junior Warden's Message

Greetings From the South!

A couple nights ago, we had a degree and brought onboard two new EA's! Welcome James and Anthony Padgett! I had originally been planning to sit in the East, but first work and Covid got in the way, and finally on the day of the degree, I had a pup that needed emergency veterinarian care an hour before the degree started. Basically, my cabletow got in the way and gave my life a big old pull one way. And that's ok.

Although the sidelines have been a little thin recently, there's a lot of celebration (promotions and new residences) and distress (sickness and employment) that have bopped our lodge pretty good over the last couple months. As a lodge, we celebrate with those who are on the upside and assist those on the downside. All it takes is a 5-minute call to make a brother's day and at least let them know you're thinking about them in their time of need or celebrating their victory with them.

Thankfully our lodge has been great at this in my own personal experience. I appreciate all the well wishes when I was down! I'll do my best to pass that on to the brothers who need it and encourage you to do the same.

In preparation for the upcoming Thanksgiving day deliveries, I'd like to put out feelers to see who is interested in helping for the deliveries! We're still working on coordinating a date, but if you are interested in delivering or making a donation to the event let me know! This is always a great one to get involved in. Definitely one of my favorites.

Speaking of favorites, with our next meeting on the 8th we'll do a lodge favorite: Cheeseburgers and fries! Worshipful Allen Gregg is also getting his 50 year pin so come on out!

Harbor City No. 318 Junior Warden's Message (Con't)

I'm hoping the weather cools down a bit and on the 22nd we'll do some comfort food, probably homemade tomato soup and grilled cheese sandwiches or turkey sandwiches. I'm up for suggestions!

Respectfully and Fraternally, Bro John Allen, Junior Warden

If you wait long enough to make dinner, everyone will just eat cereal. It's science!

Harbor City No. 318 Secretary's Notes

Greetings my Brothers.

My Lady and I hope you and your Families are doing well.

The 2025 Lodge dues renewal notices have gone out. Please send them back in at your earliest convenience.

The Final Notices for 2024 Dues have also been sent out. If you received one, PLEASE respond as soon as possible.

Nominations for the 2025 Elected Lodge Officers are due prior to the drop of the gavel on November 12th. If you would like to nominate a Brother for an elected Office please contact me and I will get you the proper paperwork.

If you have not visited your Lodge in a while, we would love for you to come out and meet your Officers and see the hard work they are doing and possibly rekindle old friendships.

May the good Lord watch over you and your Families!

Respectfully and Fraternally, R::W:: John Paniccia, Secretary 2024

Harbor City No. 318 Chaplin's Message

My Brothers all;

We have the unique opportunity once again of being involved in the travels of 2 new candidates on their trip to becoming Master Masons, also there are 3 Master Masons waiting to stand for their efficiencies. As these individuals become ready, I would hope we can fill the side lines with witnesses.

In our Masonic lore, the existence of King Solomon's Temple is most important, I've chosen to go to 1 Kings Chapter 8 Verses 1-21. It is always a good read, and I pray you might take a moment to dust off the beautiful Bible you were given at your Master Mason Ceremony and read the above Chapter and verses.

By the way, speaking of something old, I will be celebrating my 90th birthday on October the 10th. I've hesitated in my busy life for a moment to reflect back of some of the things I have been involved in and seen, whew, its mind boggling. May the best be to all my Brothers.

Respectfully Bro. Richard Huffman, Chaplin

AN OPPORTUNITY TO HELP OTHERS

Our brother, Ed Leaman, will be riding in a Bicycle Fundraising Event for the Multiple Sclerosis Society on Oct 5-6, 2024. This event is the PGA Tour Cycle To The Shore Ponte Verde Beach and will raise money for MS research which will lead to a cure. Bro Ed is looking for donations, if you are so inclined. The website is: [Event Bike MS: PGA TOUR Cycle to the Shore 2024 \(nationalmssociety.org\)](https://www.nationalmssociety.org) Once on the website, click: Donate to this Event button. Then type in his team, which is Barcardi. Scroll until you see his name, Edward Leaman, then select the Donate button and follow the instructions. If that doesn't work, you can contact the MS Society at 855-372-1331. Bro Ed thanks you for your consideration. The MS Society is a 501©3 nonprofit organization.

From the MS Society:

Join the Movement

For the past 75 years, we have changed what it means to live with multiple sclerosis with an unwavering focus on a cure. And the last five years have seen as much progress as the 70 before that. We have achieved more breakthroughs for MS than have occurred for any other neurological disease, and we're not done yet. We will relentlessly pursue every pathway to every cure until we have stopped MS in its tracks, restored what has been lost and ultimately – have ended this disease forever. And we will get there, together.

Multiple sclerosis is an unpredictable, often disabling disease of the central nervous system. There is currently no cure for MS. Symptoms vary from person to person and range from numbness and tingling to mobility challenges, blindness and paralysis. An estimated 1 million people live with MS in the United States. Most people are diagnosed between the ages of 20 and 50, and it affects women three times more than men.

I hope I don't develop Road Rage when I'm walking behind people in the grocery store.

DID YOU KNOW?

The portrait of George Washington hasn't always been on the dollar bill. The very first legal \$1 tender was issued by the United States during the Civil War, and it featured a portrait of then-secretary of the treasury, Salmon P. Chase. Washington didn't get that honor until 1869.

The U.S. government has no plans of ever changing the design of the one-dollar bill. In fact, there's a law in place that prohibits the redesign of the \$1 bill.

Women got the right to vote at the USA in 1920, because of its 19th amendment.

As most of you are aware, The Masonic Home of Florida is in St. Petersburg, FL, which had a potential of being in harms way due to Hurricane Helene. Luckily, the Home stayed safe. Here's a letter from the Chairman of the Board of Trustees, MW Jorge L. Aladro, P.G.M. :

We were not required to evacuate the Home as we were in a Zone B where we could shelter in place. The storm in itself was not that wet, however, the passing of the storm coincided with high tide and the water from Coffee Pot Bayou was the highest anyone has ever seen. We had to make preparations to internally evacuate the Skill Nursing first floor, however, by 1:00 AM the water started to recede and by 7:00 AM the dock that had been under water since earlier yesterday was back above water.

There is a lot of debris all over the property from small branches to all the trash that was brought in by the high tide and winds.

We are so thankful for the Administrator and Staff, who came in and kept things going and by monitoring the residents and events as they developed. They ran like a fine oiled machine with very little sleep. One can never imagine how complex all these health situations are managed, in coordination with rapidly changing situations and the intertwining of the duties of the different departments.

It was nice to see how well they worked together and even more gratifying that all the decisions were made with a team mentality, with one single focus in mind, to mitigate the impact on the residents and this goal was accomplished simply because of their dedication to the resident's wellbeing.

On the other hand, you could not ask for a more cooperative group of Brothers and Ladies as well as our Guests who through it all maintain the most positive attitude about the whole experience and who are so understanding of the challenges presented and the trust they have on their caregivers to see them through all of this.

This morning, we met with the residents on things going forward and we are working together as a team to put this experience behind us with the best light possible.

I have been here since Tuesday 9/24/24 in preparation of what was to come with Hurricane Helene; the firsthand knowledge and experience was way beyond my expectations. On behalf of the Board of Trustees, the Grand Master, and the Corporate Board I want to thank everyone involved for their professionalism and kindness.

MW Jorge L. Aladro, P.G.M.
